

TRICHO-BOOSTER

FOOD SUPPLEMENT

Food supplement based on Biotin, Zinc and Copper, which contribute to the maintenance of healthy hair and nails.

DESCRIPTION

Food supplement able to provide the main essential nutrients (Biotin, Zinc and Silica) to preserve the structure and the physiological **health of hair and nails**.

It is furtherly enriched with **natural extracts** such as Ajuga Reptans and Tricho-Solve (**patented complex**) with powerful **anti-oxidant** activity to counteract the damaging effect of ROS on hair follicles, including their role in amplifying inflammatory processes, increasing ageing, graying and weakness or loss.

The presence of Vitis Vinifera furtherly provides a **microcirculation enhancing activity**, ensuring that scalp intakes all the essential nutrients and oxygen it needs and helping in the anagen phase of the hair, increasing their growth.

Copper also contributes to preserve **hair pigmentation**, improving the aspect and health of hair.

It makes up an adjuvant treatment to **improve hair aspect and health**, as well as **help fight sudden hair loss** during hormonal imbalances or particular life moments, such as menopause.

It can also be taken **preventively** during season changes, after illnesses or in times of acute and prolonged stress.

PLUS

- It helps counteract acute shedding and maintain hair health and pigmentation.
- Includes patented Tricho-Solve, a lignans complex from Picea Abies with strong anti-oxidant properties.
- Rich in natural extracts, minerals and vitamin.
- It is suitable for prolonged use.
- Contributes to normal hair pigmentation
- Promotes nails and hair wellness
- Improves trophism of skin and appendages
- Enhances microcirculation.

DOSAGE

1 tablet a day with cycles of at least 2 months, to be repeated, when needed, even several times a year.

FORMAT

Box with 30 coated tablets (ALU/PVC blisters)

AVERAGE CONTENT

Average content	1 tablet	NRV*
Biotin	100 µg	200%
Zinc	7.5 mg	75%**
Copper	0.5 mg	50%
Lignans	10 mg	
Ajuga Reptans d.e.	100 mg	
Bamboo d.e.	100 mg	
Vitis Vinifera d.e.	100 mg	

*Nutrient Reference Values REGULATION (EU) No. 1169/2011

** Suitable also for teenagers

INGREDIENTS

- **Biotin:** essential B vitamin, it contributes to the maintenance of healthy hair, nails and skin and also stimulates keratin synthesis.

- **Zinc:** essential nutrient that regulates the function of cells responsible for synthesizing keratin, promotes hair growth and health, as well as plays a strong antioxidant activity.

- **Tricho-Solve:** natural ingredient offering a systemic protection from ROS damages (including amplifying inflammatory processes), while supporting the functioning of connective tissues.

- **Copper:** crucial for hair growth and color, due to its involvement in the production of melanin.

- **Bamboo extract:** richest known source of silica, essential mineral for maintaining the integrity and health of hair, reinforcing them and promoting their growth.

- **Adjuga reptans:** in addition to a strong antioxidant and anti-inflammatory action, it was found to modulate the 5alpha-reductase enzyme, whose excessive activity lead to increased hair loss pathologies.

- **Vitis Vinifera:** it enhances microcirculation, ensuring the follicles absorb the necessary elements and oxygen, and is rich in Proanthocyanidins that showed promising results for hair growth.
